THE PLAIN TRUTH

SHIRLEY FINN MURDER

Shirley Finn a Brothel Madam was murdered in 1975.

Why was this so and why the cover up to this day!

Shirley Finn as a Brothel Madam knew too much about the Peadophile Network operating here in Perth. Which involved persons in high places, the so-called pillars of the Community!

She supplied underage girls and boys to these people for sex, money and drugs.

However one day a thirteen year old girl in her care died in her swimming pool from an overdose of drugs, this sent Shirley over the edge and she had, had enough.

She decided to spill the beans and let the public know about these people involved in the Peadophile Network!

Shirley was subsequently murdered on the foreshore of Perth in her car.

The rest is history, the truth has been covered up.

The likes of the later Attorney-General, a 33rd Degree Freemason, Mr Joe Berinson and the later Police Commissioner, also a Freemason, Mr Brian Bull, ordered her execution.

Others in high places, like Brian Burke, ex-Premier, David Malcolm, ex-Supreme Court Judge, Con Zemplis, ex-Magistrate, Carmen Lawrence, ex-Premier, a Wiccan, (Witch or High Priestess) and former Attorney-General, Mr Jim McGinty, just to name a few are all involved in the Peadophile Network!!

Even our current Police Commissioner, Mr Karl O'Calloghan, a high ranking Freemason is involved, that is why no investigation into her murder is taking place. Official CORRUPTION by the POLICE, the JUDICIARY & PARLIAMENT!!

Scott Gozenton, an ex-boy scout who has repeatedly molested boys and tried recruiting them was sent to prison for only a few years, instead of about ten or

fifteen as he ought to have, WHY?, because he kept his mouth shut about the above mentioned people as he was involved with them, in the late eighties, early ninties, he was given special treatment as long as he did not name them!

This is a true story and everything I say is WITHOUT PREJUDICE!!
